NODAWAY FIRST IN HORSES

24,437 Animals Owned Here Valued at Over 2 Million Dollars—Big Gain Over 1917—More Mules, Too.

Nodaway county is the first county in the state in the number of horses owned. According to the new statistics announced today (1918) by E. A. Logan and Jewell Mayes of the Missouri Co-Operative Reporting Service, this county has 24,437 horses. These figures show a gain over 1917 of over 8,000, the horse census for that year being 15,749 The average value is given at $92, making the total value of horses owned in the county $2,248,204.

Nodaway county has also shown a gain in mules. The number given in the report being 4,082 as against 3,197 for 1917. At an average value of $116, the total reaches $470,512.

MRS. SPICKERMAN BADLY BURNED

Apron Ignites From Kitchen Stove—Is Taken to Hospital.

Mrs. H. O. Spickerman of South Saunders street, is at St. Francis hospital being treated for severe burns which she suffered a few days ago. Mrs. Spickerman was fixing the kitch en fire, when a light cotton apron she was wearing caught fire.

The blaze spread fast and the clothing was nearly burned from off her arms and chest before it was put out. Mrs. Spickerman also suffered bad burns about her neck, hands and face.

TROOP 1 TEAM WINNER

Teams from Troops 1 and 2 of the Boy Scouts played their first basketball game of the season on the Normal court Saturday night, the game being played just before the girl's game. Troop 1 team won the event by a score of 8 to 4. The game was fast throughout and the boys proved themselves well up on the game. Will Van Cleve acted as referee.

THEY CALL PASTOR

CHRISTIAN CHURCH INVITES REV. R. E. SNODGRASS OF SAVANNAH

THE OFFICIAL BOARD ACTS

Has Been with the Andrew County Church for Six Years—Has Fine Record as Minister and Organizer

At a meeting yesterday of the official board of the First Christian church it was decided to extend a call to Rev. R. E. Snodgrass, pastor of the Christian church at Savannah, Mo., to become pastor of the church here. Rev. Snodgrass will be notified of the action of the board today. The church has been without a pastor since the resignation of Rev. C. Emerson Miller, who went to St. Louis the first of the year to the First Christian church there.

Rev. Snodgrass has been with the Savannah church for the past six years and has made an enviable record, both as a minister and as organizer. The first four years of his pastorate there found five hundred additions to the church. With an enrollment of four hundred in the Sunday school there is an average attendance of over two hundred.

Besides being an indefatigable worker in church and Sunday school Rev. Snodgrass takes an active part in civic affairs and war activities. He is chairman of the Andrew county chapter of the Red Cross and is in charge of the campaign for Armenian and Syrian relief. The Andrew county Red Cross chapter has enrolled 5,000 of its 15,000 population as members of society. He is also chairman of the Savannah Ministerial Alliance. Rev. Snodgrass has shown rare ability as organizer and director of work in which young people are interested, while as a pulpit speaker he is earnest and convincing.

On Nodaway's Honor Roll

Made the Supreme Sacrifice

FRANCIS M. JOHNSTON, Quitman. Co. G, 356th Inft. 89th Division

Killed in action in battle in Argonne Forest November 3, 1918. Enlisted in the service April 26, 1918, and went for overseas service in June from Camp Mills. Was twenty-six years old and the son of Mr. and Mrs. Augustus John son of Quitman.

(NOTE—A careful keeping of the record of casualties and deaths of Nodaway county boys in the service shows that thirty-six young men have made the supreme sacrifice. If, by an error or otherwise, there have been any others the Democrat-Forum will be glad to have the information.)

Owner Walter Mendenhall Disposes of Plant to I J. Copenharve of Omaha, Nebraska.

The Burlington Junction Post, owned and edited by Walter Mendenhall, has been sold to I. J. Copenharve of Omaha, Neb., the transfer taking place Saturday. The new owner took charge of the plant at once and will continue publication of the Post at the old location. Mr. Mendenhall said this morning that he expected to remain a resident of Burlington Junction, at least for awhile.

The Post under Mr. Mendenhall's able management and editorship has taken a place among the live and successful papers of Northwest Missouri and Walt will be missed from the fraternity.

KING CITY REPEATS

WON FROM M. H. S. GIRLS AS WELL AS THE BOYS

FINAL SCORE DISPUTED

Mable Raines Did All the Scoring for Miss Denny's Players—Miss Garten Starred for Visitors.

Maryville was given its second dose of girls basketball Saturday night when Miss Martha Denny's highly trained performers from Maryville high school hooked up in mortal combat with the feminine basketball artists of King City high school coached by Miss Nell Jordan, a Maryville Normal product. The score is in dispute, being either 10-6 or 10-8, according to the side that is giving the information. The long end belongs to King City.

A good crowd was present and the girls are claiming credit for pulling the M. H. S. Athletic Association "out of the red." It is believed that after a few more games the fans will learn to like the game and it is even possible that they may understand it.

It really was a good game. The teams were evenly matched and the score was close at all times. The dispute over the final score arose when a field goal by Mabel Raines and the timers whistle ending the game, came at almost the same instant.

For Maryville Captain Ruth Bookman at guard, Mary Miller at running center and guard and Mabel Raines were the stars. Garten was the star for the visitors with four field goals. Mabel Raines scored all the points for Maryville with a field goal and six free throws out of eight attempts.

The lineup: Maryville H. S.—M. Raines and R. Miller, forwards; Fraser jumping center; Kennedy and L. M. Raines, running center; Bookman and M. Miller, guards.

King City H. S.—Garten and Belton, forwards; Bonham, jumping center; Sherman, running center; Gibson and Clark, guards.

MISSOURI LIVE STOCK, 3919

Is One of the First Live Stock States in the Union According to State Board of Agriculture.

Missouri is one of the first live stock states of this nation, the horses, mules, cattle, sheep and hogs being worth today $406,962,000, averaging $1,480 for each of our 274,460 farms, according to the 1919 annual statistics of Field Agent E. A. Logan and Secretary Jewell Mayes of the U. S. Department and State Board of Agriculture.

The number of horses is 1,040,000, at $92 per head, worth $95,680,000.

The number of mules is 374,000, at $116 worth $43,384,000.

There are 919,000 milch cows in Missouri, at $74 worth $68,006,000.

The number of other cattle is 1,782,000, at $49.40 per head worth $88,031,000.

The number of sheep is 1,539,000, at $13.20 worth $20,315,000.

The hog population of Missouri is 4,943,000, at $18.50 worth $83,139,000.

Go to Jefferson City.

W. A. Blagg of the Board of Regents and President Ira Richardson of the Normal School will go to Jefferson City this evening, where they will appear before the appropriation committees of the house and senate in connection with the appropriations asked for the coming year by the school.

Frank Cooper is down from his home Sheridan to spend a few days with his brother, Superintendent Bert Cooper.

PLAN CENTENNIAL

LEGISLATURE CONSIDERS CELEBRATION LIKE WORLD'S FAIR

ON 100TH ANNIVERSARY

Bill Suggests Exposition Open in June 1921—Asks That "Centennial Commission" Be Named.

Jefferson, Mo., March 3.—The proposal that Missouri celebrate the hundredth anniversary of her entrance into sisterhood of the states with a "collective exhibit of the resources of the states" at or near the city of St. Louis in 1921, is contained in a bill introduced in the house jointly by Representatives Farr, Comer, Farris and C. R. Jones, carrying an appropriation of $60,000 from the general revenue fund to cover the preliminary expenses incident to getting the big exposition under way.

The bill reviews the early history of the state in explaining why the celebration should be held, stating that the territory of Missouri was organized in 1812, and applied for admission as a state in 1818, but that three years of constant labor were required to bring the state into the union. It recalls that the admission of Missouri is connected with a pronouncement of an American president now frequently referred to throughout the civilized world.

The measure provides for the creation of "The Missouri Centennial Commission" of five members, two from each leading political party to be named by the governor and a fifth to represent organized labor. The governor, lieutenant governor, the speaker of the house and the state superintendent of schools would be ex-officio members. This body would be authorized to issue capital stock of the fair organization they would form in the sum of $3,000,000 and the admission price to the exposition could not exceed 25 cents for children and 50 cents for adults.

In addition there would be an advisory board composed of twenty-five representatives named by the speaker of the house and twelve senators named by the lieutenant govenor, and a "board of lady managers" of 142 members, each nominated by a member of the legislature and appointed by the governor. None of the managers would receive salaries, but would get traveling expenses.

The commission would not only be authorized to hold the centennial, but would also publish a history of the state, under the specifications of the bill, in not to exceed five volumes, "and to illustrate the resources and achievements of the state and its citizens and to illustrate by pictures the best live stock, buildings, and persons who have become a part of the state in its development and progress, moral and material welfare, and to show the future development likely to follow."

The bill requires that the preliminary celebration of the centennial shall be opened June 12, 1920, the first anniversary of the day the first constitutional convention began, and the celebration proper will start on the first Monday in June, 1921, the anniversary of the day the Missouri legislature gave assent to the provisions of congress for erecting the territory into a state. x

REVIVAL BRINGS BIG CROWD

Rev. C. S. Dayhoff and Assistants Hold Excellent Meetings Nightly at Pickering Methodist Church.

The revival meetings at the Mthodist church of Pickering, being conducted by the pastor, Rev. C. S. Dayhoff assisted by Goodale Brothers, preacher and singer, are drawing big crowds nightly and the efforts being put forth by the workers are bringing good results.

The meetings will continue every night this week opening at 7:30 o'clock. Tomorrow, Wednesday, Thursday and Friday morning at ten o'clock, cottage prayer meetings will be held. The revival opened three weeks ago and during that time there have been thirty five conversions. The nightly sermons have been attracting great interest all through that community and the singing evangelist has added greatly to the success and entertainment.

Mr. and Mrs. Lawrence B. Ogden left yesterday morning for Oklahoma City, Okla., where Mr. Ogden will act as judge at a Shorthorn cattle show.

WORKMAN BURIAL TOMORROW

Mrs. Francis M. Workman Passed Away Yesterday at Home of Son Northwest of City.

Mrs. F. M. Workman died Sunday evening at 5 o'clock at the home of her son, Clarence Workman, northwest of Maryville, after an illness of two years of cancer of the throat.

The funeral will be held at the Clarence Workman's home tomorrow morning at 11 o'clock, conducted by the Rev. W. C. Ferguson, pastor of the Baptist church of this city. Burial will be in Workman Chapel cemetery.

Mrs. Workman was about 65 years old. She is survived by her husband, Francis M. Workman, and two children, Clarence Workman and Mrs. Dora Yeager of near Maryville. Also two brothers survive, being Hiram and James Edwards.

MUST SERVE PEOPLE

WILSON TELLS GOVERNORS THAT IS PEACE DELEGATES BUSINESS

IN A FOUR MINUTE TALK

Executive Says We Are Beginning to Learn Businesses of Government Which Is To Take Council From Common Man.

Washington, March 3.—"We are at last beginning to learn the business of government, which is to take council from the common man," declared President Wilson in a four-minute address here today addressing the conference of governors and mayors at the White House. The President declared it was the duty of the government to learn what the plain people want.

Referring to the Paris peace conference, President Wilson said: "If we (delegates) show that we want to serve any interest but the interests of the people, we will have become candidates for the most lasting discredit that ever attached to any men in history." The President declared, "we are at last learning that the whole matter of property of the people runs down into the great body of men and women who do the work of the world and that the process of guidance is not completed by the mere success of great enterprise; it is completed only by the standard of benefit that it confers upon these men in obscured ranks of life to contribute to the success of the enterprise."

BERLIN SITUATION IS GRAVE

Strong Military Force Patrols City Fearing Outbreak—Crowd in Anti-American Demonstration.

Berlin, Mar. 3.—The proposed meeting of the Russian national assembly in Sicily has been postponed indefinitely. It was announced to meet Tuesday. The ostensible postponement was brought about by transportation difficulties, but in reality the threatened general strike in Berlin which is designated as a protest to the assembly, is believed to be the reason.

A strong military force is patrolling the city and a counter-revolutionary outbreak is feared. Foreign officials admitted the situation was most grave but they were confident the government would survive. The strike has spread to Weimar.

Following the reception to German East African troops, a crowd stormed the hotel in an anti-American demonstration shouting, "throw out the Americans who are swine—they are eating all our food."

WILLIAMS BABY DEAD.

Funeral Services to be Held Tomorrow Afternoon.

Iona, the twenty months old daughter of Mr. and Mrs. Dave Williams, died yesterday afternoon at the Williams home in northeast Maryville.

The funeral services will be held tomorrow afternoon and the burial made in Oak Hill cemetery.

MUST PAY HUGE SUM

GERMANY'S BILL OF DAMAGES IS SET AT 120 BILLIONS

CONSIDER FINAL TERMS

Besides Cutting Down German Army End of U-boat Warfare for all Nations Will Be Part of Plan.

Paris, March 3.—A great week of the peace conference opened today with the inter-allied council of ten nations considering Marshal Foch's final terms of disarmament of Germany on the land, on the sea and in the air. In addition to cutting down the size of the German army, it is understood the terms call for the termination of submarine warfare by all nations. The council is also scheduled to get a report from the committee on reparation which is said to have set the sum Germany should pay at 120 billion dollars. It is confidently expected the peace terms will be communicated to Germany by the end of the month. There is evidence also that the Allies will deal with the problem of world industry on common lines after the peace treaty has been signed.

66TH CONGRESS NEARS END

Legislative Jam Faces Upper Body—House's Program at Close Is Practically Blank.

Washington, March 3.—A continuous session of the senate from ten o'clock this morning until the clock marks the death of the sixty-fifth congress. It is plainly indicated that a legislative jam is faced by the upper body of congress as the members gathered for the final lap. Speaker Clark's legislative program, on the other hand, was practically blank and indications were that the housse would close its legislative functionings in an orderly way.

3,000 PRISONERS "STRUCK."

Leavenworth, March 3.—Three thousand prisoners in the disciplinary barracks returned to work at noon after "striking" this morning and refusing to leave their cells. Officials at the barracks refused to discuss the demands made by the men or to give any particulars of the "strike."

NORMAL GIRLS TO PLAY B. B.

Picked Teams Will Stage Basketball Game This Afternoon on the Normal Court.

Two teams picked from the best players among the girls in the Normal will stags a basketball game this afternoon on the Normal court beginning at 4:30 o'clock. This is the first open game that the girls have played, the sport having been only recently sanctioned by the faculty. A series of five games will be played between the two teams on successive Monday afternoons. If possible, games with other schools may be scheduled.

The teams that will play this afternoon are captained by Miss Lois Goodpasture and Miss Garnet Stewart. The lineups follow:

Garnet Stewart and Osa Coler, forwards; Iva Ward, jumping center; Ruth Walker, running center; Ida Igo and Dessie Danner, guards; Velma French and Esther and Pearl Neal, substitutes.

Lois Goodpasture and Helen Dean, forwards; Velma Appleby, jumping center; Mary Condon, running center; Bessie Shrock and Lela Meyer, guards Jessie Murphy, substitute.

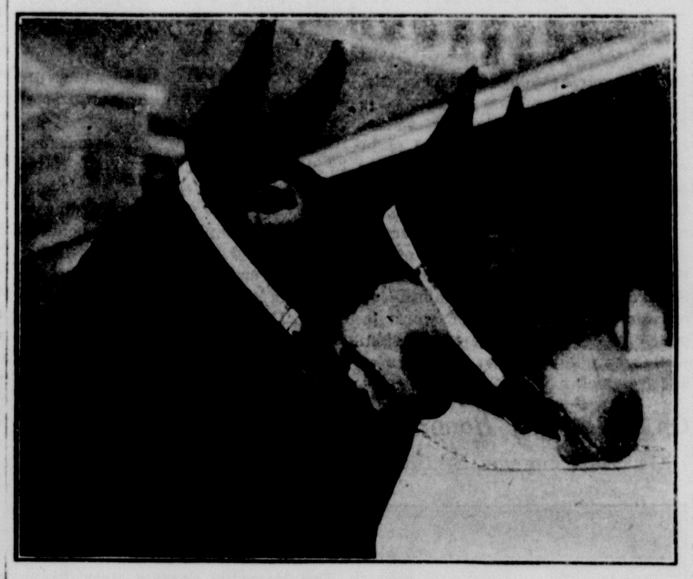
PUBLIC SALE
of LIVE STOCK

I will offer for sale at public auction at White Hall farm, first house south of Scudder schoolhouse, on Savannah road, 4 miles south of Maryville, on

Tuesday, March 11th

Beginning at 10 o'clock a. m., the following described property:

Five Good Missouri Bred Jacks



Pair JOE JR. Mules

Consisting of one 10-year-old jack, Joe Jr., a sire of great mules, being heavy boned, short haired, low down; two 3-year-old jacks, 15½ hands high, black with white points, good heavy bodied, good boned jacks. The above jacks will average around 1,000 pounds and better in weight. One 2-year-old and one yearling jack.

The cattle and jacks described will not be offered for sale until one o'clock in the afternoon.

15 Head of HORSES and MULES

Consisting of one 5-year-old draft mare, bay, weight about 1500 pounds; one bay mare, smooth mouth, wt. about 1300 pounds, in foal to jack; one smooth mouth gray mare, saddle bred; one black 2-year-old saddle bred gelding, eligible to register; one roan gelding, coming 4 years old, wt. 1400 pounds; one pair bay geldings, coming 2 years old; one roan gelding coming 2 years old; one bay mare coming 7 years old, in foal to jack; one black Percheron mare, wt. 1500 pounds, registered; one 3-year-old Percheron stallion, black, with star in forehead, registered; 1 gray Percheron stud colt coming yearling; eligible to register.

Four coming 3-year-old mules—2 mare mules and 2 horse mules; three weanling mule colts; two coming 2-year-old mare mules.

46 head of mules sold at auction at Auxvasse, Mo., recently in February, averaging $318 apiece, which is a record price for that number being sold at auction in Callaway County, Mo. One span $760 and forty-six head $14,298. Note how close they sold to the average. In Brown County, Kan., at Geo. Mitchell's, one pair coming 4-year-olds brought $905, and 52 mules average $301 at E. M. Kimmel's farm sale in Richard County, Nebr., six grown mules average $305. Note the close range of the average on the three sales. Now is the time to breed good mules, while these good mares are to be had at a price you can afford to own them. Why not two or three neighbors go together and get one of these good jacks while they are to be had? You saw $725 paid for a pair of mules in Nodaway county in February, and you also know of $250 being paid for one 2-year-old mule that weighed 1300 lbs, out of the fourth jack in my barn. One of the best judges of mules that probably buys and sells more mules than any two other men in the county, says it was the best mule he knew of anywhere to be had. Now what are you going to do? Be a live wire, get a good jack and be prepared, or stand around just as you saw hundreds of fellows do at the U. S. Wright farm, the 8th of April, 1914, when those Hereford cattle were selling at $30 to $75 and every man knocking and saying cattle are all down and out. Now today, a Holstein bull brought $10,000 at auction. Herefords at Cambridge, Nebr., averaged $3,845, for 50 head Poland-China brood sows $800 per head. Never in the history of the world have you ever saw as much money changed for live stock to breed from. Then, tell me that horses and mules have died—not at all—it is you and me and the other fellow that is knocking, is the cause of a great deal of the condition of the horse market. Does not the $800 sows, the $10,000 bulls and the human race have to be fed, which it takes the horse and mule to produce it, and our land selling the way it does and then horses are dead. Sure they are not—it is the other fellow knocking. Why is land selling as you see it has this winter? Is it the big crop of 1918? Is it the paying investment, or is it because every fellow is boosting for land? Note the difference when you boost or knock. I knew a candy maker who wanted a farm. He saw the other fellow getting his feet wet, and wanted to be in the swim. Buy a good jack and be in the swim. Breed your good mares to a good jack or good horse and be prepared. A good sire is half of your herd, and you will win the battle. A poor sire is all of your herd and you have lost all. Try it and you will be convinced.

45 Head of Registered Hereford Cattle

Consisting of 9 yearling bulls; 16 yearling heifers; 10 aged cows; 10 head of cows 2 to 5 years old. These animals are a good strain of Hereford blood, being sired by such bulls as Elect 9th from the Shadeland herd and the cows are in calf to a Fairfax bull, grandson of Harris & Son's Fairfax. They are just in good stock flesh, grass and water being a little short last summer.

18 Head of Poland-China Gilts

Bred to farrow in March and April.

Some Farm Machinery

Consisting of one riding combined lister and drill, in good shape; one 2-row go-devil, new last year; one riding New Century cultivator, 6-shovel.

LUNCH by Ladies of the Arkoe Christian Church.

TERMS—Sums of $10 and under, cash; over that amount a credit of 3, 6 or 9 months will be given, purchaser to give bankable note bearing 8 per cent interest from date. No property to be removed until terms of sale are complied with.

Red Cross Notes

Queries From the Work Room.

Why do we sew hundreds of tiny labels into the Red Cross garments? Isn't it a waste of time and money that might be put on more vital work? On a layette this would mean 32 labels.

Hurried and Worried Some.

Why, oh why were the pajamas made for giants in the beginning and when they were sensibly made smaller why were all sorts of other minor details, which the women had mastered, varied just enough to make them confusing?

A Chapter Captain.

These labels "From the American Red Cross" were ordered by the Foreign C[illegible] since the garments go around the world, and may finally be used in Italy, France, England, or the Far East, it means much to say to these thousands of foreign people, "The Red Cross wishes you well and sends this proof of it." To our own men an article "Made in America" is doubled in value; to others it carries a message of brotherhood and disinterested aid. The label identifies shipments on the one hand, and on the other it symbolizes a great organization, thousands of miles away, planning to meet the recipient's special need.

The garment gives material comfort, the label carries a heartening assurance of the resources and sustained solicitude back of the gift. As for the layette, only 6 of the 32 pieces carry the label, and it is all the more important, now that the Red Cross itself, which formerly adorned the garments, is no longer used.

Are these things worth the sewing on of a label? It is like the card of greeting that goes with a gift. Would you leave it out?

At first pajamas were too large. They were copies of models sent over from France, and these models had been prepared with the general idea that it was easier for a small man to accomodate himself to a large garment than vice versa. Also, in the case of bandages on wounds looseness of the garments was manifestly desirable. When we revised our patterns we made them conform to the models used by the Medical Department of the Army.

Alterations in the measurements of the pajamas were necessary in order to accord with the specifications sent from the office of the Surgeon General when the American Red Cross began to fill orders for that Department, and the "minor details" referred to were based on the desire to economize material to the greatest possible extent, and to simply and standardize the manufacture of the garments, as experience had proved that work could there by be saved and a better article produced in the aggregate. This means saving hundreds of thousands of dollars and many hours of labor, and unquestionably warrants the changes.

The Red Cross work is still going. We are being called on to knit for the refugees. Instructions will reach us soon. When they do we want every woman to help care for our part of this call.

Any items of Red Cross news will be given attention if sent to Miss Lanning, at the Red Cross rooms or phone 220.

The Lasher Auxiliary met in all day session at work rooms at Mrs. Lawrence Gault's Thursday, February 27 to complete quota of refugee garments. Each lady brought a well filled basket, which was served at the noon hour to the following: Mrs. Amelia Outs, Mrs. Dan O'Grady, Mrs. Chas. Broyles, Mrs. E. P. Powell, Mrs. Lawrence Gault, Mrs. J. Adams, Miss Frances Masters, Mable Riffle, Ella O'Grady, Karle Parker and Katherine Broyles.

Officers for the following year were elected. Miss Mable Riffle was elected chairman, Miss Ella O'Grady was elected secretary and treasurer.

Report of the work for the past year was given at this meeting. 33 meetings were held during the year. 8,897 surgical dressings, 12 pillow slips, 3 sheets, 7 bath towels, 10 hand towels, 18 handkerchiefs, 1 quilt, 5 comforts, 5 feather pillows, 23 pajama suits, 12 bed shirts, 12 refugee dresses were made. Also 17 pairs socks, 4 helmets and 4 sweaters were knit by the ladies.

Have $70.00 proceeds of two sales for Red Cross and also raised enough money, $73.00 to adopt two French war orphans.

During the year 10 of the members completed their 72 hours work which entitled them to a Red Cross on their coif. They are Mrs. Outs, Mrs. Riffle, Mrs. Palmer, Mrs. Martin, Mrs. Broyles, Mrs. Gault, Frances Masters, Katie Broyles, Miss Karle Parker, Miss Mable Riffle.

Don't Let Catarrh Drag You into Consumption

Avoid Its Dangerous Stage.

There is a more serious stage of Catarrh than the annoyance caused by the stopped-up air passages, and the hawking and spitting and other distasteful features.

The real danger comes from the tendency of the disease to continue its course downward until the lungs become affected, and then dreaded consumption is on your path. Your own experience has taught you that the disease cannot be cured by sprays, inhalers, atomizers, jellies and other local applications.

S. S. S. has proven a most satisfactory remedy for Catarrh because it goes direct to its source, and removes the germs of the disease from the blood. Get a bottle from your druggist today, and begin the only logical treatment that gives real results. SHE COULD NOT STAND OR WORK

But Lydia E. Pinkham's Vegetable Compound Restored Her Health and Stopped Her Pains.

Portland, Ind.—"I had a displacement and suffered so badly from it that at times I could not be on my feet at all. I was all run down and so weak I could not do my housework, was nervous and could not lie down at night. I took treatments from a physician but they did not help me. My Aunt recommended Lydia E. Pinkham's Vegetable Compound. I tried it and now I am strong and well again and do my own work and I give Lydia E. Pinkham's Vegetable Compound the credit."—Mrs. JOSEPHINE KIMBLE, 935 West Race St., Portland, Ind.

Thousands of American women give this famous root and herb remedy the credit for health restored as did Mrs. Kimble.

For helpful suggestions in regard to such ailments women are asked to write to Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of its long experience is at your service.

Reconstruction

IN war ridden Europe they are entering a period of reconstruction politically, industrially, financially. They are looking to the United States for materials, finances, leadership, and we must not fail them.

The United States at this time is entering a period of "Transference"—labor, finance, commerce, industry are to be transferred from the war channels back again to the channels of peace. In order that this transfer may be made without interference, it behooves every American citizen to keep all channels of industry open. Buy now, without delay, such articles as are likely to be needed in the near future.

Indications point to steady prices for some time and in many instances there are likely to be some material advances. European buyers are in our markets right now arranging for early shipments of goods "Made in U. S. A." You can buy now with a reasonable assurance that prices will not be lowered to any marked degree in the near future.

Spirit of Spring

The spring birds are arriving, the buds are swelling and the very atmosphere is that of spring. It is a time of clean-up and of freshening up for the spring and summer months.

We are in the midst of remodeling and redecorating our store for the Spring season. It will cause you a little inconvenience with your shopping for a few days, but you will enjoy the change when the work is completed. In the meantime we are receiving shipments of new Spring merchandise for every department—a full line of the Spring's latest creations will be ready for your inspection at an early date.

Don't forget our Mail Order Department which we are maintaining for your convenience—your order will receive careful personal attention.

MINISTER HIRES "JITNEY" TO INCREASE HIS FLOCK.

HEALTH TALK

BY DR. VALENTINE MOTT.

All the blood in the body goes thru the kidneys within a few minutes. Therefore the kidneys are very important in health or disease because they filter out of the blood most of the waste (poisonous) substances and the blood then flows on toward the heart thru the kidney vein. What the kidney takes out of the blood forms urine. So it is very important to have the water tested by a chemist, at least once a year. I would suggest that everybody send a sample to Dr. Pierce's Laboratory in Buffalo, N. Y., and receive back a thorough chemical and microscopical test, free of charge.

The kidneys and bladder suffer from the wear and tear, and we get chronic inflammations sometimes indicated by backache, painful voiding of water—dull, heavy feelings. Perhaps the uric acid is stored up in the system in excessive amount, and consequently when the urate salts are deposited in muscles and joints one suffers from lumbago (pain in back), rheumatic pains, gout, etc.

Nothing will act so nicely as "Anuric" (anti-uric-acid)—a recent discovery of Dr. Pierce's which can be had at all drug stores. "Anuric" washes away the poisons, cleanses the bladder and kidneys—rendering them antiseptic—consequently one is soon cured of lumbago, rheumatism, gout, and the body is put into a clean, healthy state.

MR. FAMILY MAN:

Why Spend So Much Money on Shoes?

Here is what Tracy Munson of Joplin, Missouri, says of Neolin Soles: "Judging from my own experience, they wear four times longer than other soles and have the additional advantage of being waterproof and slip-proof."

Why continue to wear extravagant old-fashioned soles when you can get these money-saving, long-wearing soles on new shoes in any style you like for any member of the family? Good shoe stores everywhere carry them.

And don't throw away your old shoes. Have them re-bottomed with Neolin Soles and enjoy the comfort of a re-soled shoe which is not stiff or clumsy. Neolin Soles are a discovery of Science, and are made by The Goodyear Tire & Rubber Co., Akron, Ohio, who also make Wingfoot Heels—guaranteed to outwear all other heels.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young — to do this you must watch your liver and bowels — there's no need of having a sallow complexion — dark rings under your eyes — pimples — a bilious look in your face — dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone, by toning up the liver and clearing the system of impurities.

You will know Dr. Edwards' Olive Tablets by their olive color. 10c and 25c per box. All druggists.

CHIEF ENGINEER ALMOST GIVES UP

Thought He Would Have to Stop Working—Tanlac Makes Him Well Again.

"To my mind Tanlac is the greatest medicine in the world," said O. H. Mahaffey, chief engineer of the Life & Casualty building, Nashville, Tenn. "For two years," he continued, "I suffered awfully with the worst kind of stomach trouble and went down until I lost forty-eight pounds. My back ached terribly and I suffered so much misery from indigestion that I thought I had an ulcerated stomach and was actually afraid to eat anything but a little oatmeal and sweet milk. I got weaker every day till finally, as nothing I took did me any good, I thought I would just have to throw up my job.

"My wife read in the papers where a man who had suffered like I was had been helped by taking Tanlac, and she begged me to try it. After I had taken Tanlac a few days I began to get hungry and started in eating like I was starved, and nothing hurt me a bit. Soon those awful pains in my stomach and back were gone, I sleep fine at night now and get up in the morning full of life and energy and ready for my work."

Tanlac is sold in Maryville by the Koch Pharmacy and by A. M. Colly, Conception Junction.—H. M. Lincoln, Pickering, and Carter Pharmacy, Burlington Junction, Mo., and in Barnard by Bear Drug Store, in Elmo by King Drug Co.—Adv.

THEY CALL PASTOR

CHRISTIAN CHURCH INVITES REV. R. E. SNODGRASS OF SAVANNAH

THE OFFICIAL BOARD ACTS

Has Been with the Andrew County Church for Six Years—Has Fine Record as Minister and Organizer

At a meeting yesterday of the official board of the First Christian church it was decided to extend a call to Rev. R. E. Snodgrass, pastor of the Christian church at Savannah, Mo., to become pastor of the church here. Rev. Snodgrass will be notified of the action of the board today. The church has been without a pastor since the resignation of Rev. C. Emerson Miller, who went to St. Louis the first of the year to the First Christian church there.

Rev. Snodgrass has been with the Savannah church for the past six years and has made an enviable record, both as a minister and as organizer. The first four years of his pastorate there found five hundred additions to the church. With an enrollment of four hundred in the Sunday school there is an average attendance of over two hundred.

Besides being an indefatigable worker in church and Sunday school Rev. Snodgrass takes an active part in civic affairs and war activities. He is chairman of the Andrew county chapter of the Red Cross and is in charge of the campaign for Armenian and Syrian relief. The Andrew county Red Cross chapter has enrolled 5,000 of its 15,000 population as members of society. He is also chairman of the Savannah Ministerial Alliance. Rev. Snodgrass has shown rare ability as organizer and director of work in which young people are interested, while as a pulpit speaker he is earnest and convincing.

On Nodaway's Honor Roll

Made the Supreme Sacrifice

FRANCIS M. JOHNSTON, Quitman, Co. G, 356th Inft. 89th Division

Killed in action in battle in Argonne Forest November 3, 1918. Enlisted in the service April 26, 1918, and went for overseas service in June from Camp Mills. Was twenty-six years old and the son of Mr. and Mrs. Augustus John son of Quitman.

(NOTE—A careful keeping of the record of casualties and deaths of Nodaway county boys in the service shows that thirty-six young men have made the supreme sacrifice. If, by an error or otherwise, there have been any others the Democrat-Forum will be glad to have the information.)

SELLS BURLINGTON JCT. POST

Owner Walter Mendenhall Disposes of Plant to I J. Copenharve of Omaha, Nebraska.

The Burlington Junction Post, owned and edited by Walter Mendenhall, has been sold to I. J. Copenharve of Omaha, Neb., the transfer taking place Saturday. The new owner took charge of the plant at once and will continue publication of the Post at the old location. Mr. Mendenhall said this morning that he expected to remain a resident of Burlington Junction, at least for awhile.

The Post under Mr. Mendenhall's able management and editorship has taken a place among the live and successful papers of Northwest Missouri and Walt will be missed from the fraternity.

KING CITY REPEATS

WON FROM M. H. S. GIRLS AS WELL AS THE BOYS

FINAL SCORE DISPUTED

Mable Raines Did All the Scoring for Miss Denny's Players—Miss Garten Starred for Visitors.

Maryville was given its second dose of girls basketball Saturday night when Miss Martha Denny's highly trained performers from Maryville high school hooked up in mortal combat with the feminine basketball artists of King City high school coached by Miss Nell Jordan, a Maryville Normal product. The score is in dispute, being either 10-6 or 10-8, according to the side that is giving the information. The long end belongs to King City.

A good crowd was present and the girls are claiming credit for pulling the M. H. S. Athletic Association "out of the red." It is believed that after a few more games the fans will learn to like the game and it is even possible that they may understand it.

It really was a good game. The teams were evenly matched and the score was close at all times. The dispute over the final score arose when a field goal by Mabel Raines and the timers whistle ending the game, came at almost the same instant.

For Maryville Captain Ruth Bookman at guard, Mary Miller at running center and guard and Mabel Raines were the stars. Garten was the star for the visitors with four field goals. Mabel Raines scored all the points for Maryville with a field goal and six free throws out of eight attempts.

The lineup: Maryville H. S.—M. Raines and R. Miller, forwards; Fraser jumping center; Kennedy and L. M. Raines, running center; Bookman and M. Miller, guards.

King City H. S.—Garten and Belton, forwards; Bonham, jumping center; Sherman, running center; Gibson and Clark, guards.

MISSOURI LIVE STOCK, 3919

Is One of the First Live Stock States in the Union According to State Board of Agriculture.

Missouri is one of the first live stock states of this nation, the horses, mules, cattle, sheep and hogs being worth today $406,962,000, averaging $1,480 for each of our 274,460 farms, according to the 1919 annual statistics of Field Agent E. A. Logan and Secretary Jewell Mayes of the U. S. Department and State Board of Agriculture.

The number of horses is 1,040,000, at $92 per head, worth $95,680,000.

The number of mules is 374,000, at $116 worth $43,384,000.

There are 919,000 milch cows in Missouri, at $74 worth $68,006,000.

The number of other cattle is 1,782,000, at $49.40 per head worth $88,031,000.

The number of sheep is 1,539,000, at $13.20 worth $20,315,000.

The hog population of Missouri is 4,943,000, at $18.50 worth $83,139,000.

Go to Jefferson City.

W. A. Blagg of the Board of Regents and President Ira Richardson of the Normal School will go to Jefferson City this evening, where they will appear before the appropriation committees of the house and senate in connection with the appropriations asked for the coming year by the school.

Frank Cooper is down from his home Sheridan to spend a few days with his brother, Superintendent Bert Cooper.

PLAN CENTENNIAL

LEGISLATURE CONSIDERS CELEBRATION LIKE WORLD'S FAIR

ON 100TH ANNIVERSARY

Bill Suggests Exposition Open in June 1921—Asks That "Centennial Commission" Be Named.

Jefferson, Mo., March 3.—The proposal that Missouri celebrate the hundredth anniversary of her entrance into sisterhood of the states with a "collective exhibit of the resources of the states" at or near the city of St. Louis in 1921, is contained in a bill introduced in the house jointly by Representatives Farr, Comer, Farris and C. R. Jones, carrying an appropriation of $60,000 from the general revenue fund to cover the preliminary expenses incident to getting the big exposition under way.

The bill reviews the early history of the state in explaining why the celebration should be held, stating that the territory of Missouri was organized in 1812, and applied for admission as a state in 1818, but that three years of constant labor were required to bring the state into the union. It recalls that the admission of Missouri is connected with a pronouncement of an American president now frequently referred to throughout the civilized world.

The measure provides for the creation of "The Missouri Centennial Commission" of five members, two from each leading political party to be named by the governor and a fifth to represent organized labor. The governor, lieutenant governor, the speaker of the house and the state superintendent of schools would be ex-officio members. This body would be authorized to issue capital stock of the fair organization they would form in the sum of $3,000,000 and the admission price to the exposition could not exceed 25 cents for children and 50 cents for adults.

In addition there would be an advisory board composed of twenty-five representatives named by the speaker of the house and twelve senators named by the lieutenant govenor, and a "board of lady managers" of 142 members, each nominated by a member of the legislature and appointed by the governor. None of the managers would receive salaries, but would get traveling expenses.

The commission would not only be authorized to hold the centennial, but would also publish a history of the state, under the specifications of the bill, in not to exceed five volumes, "and to illustrate the resources and achievements of the state and its citizens and to illustrate by pictures the best live stock, buildings, and persons who have become a part of the state in its development and progress, moral and material welfare, and to show the future development likely to follow."

The bill requires that the preliminary celebration of the centennial shall be opened June 12, 1920, the first anniversary of the day the first constitutional convention began, and the celebration proper will start on the first Monday in June, 1921, the anniversary of the day the Missouri legislature gave assent to the provisions of congress for erecting the territory into a state.

REVIVAL BRINGS BIG CROWD

Rev. C. S. Dayhoff and Assistants Hold Excellent Meetings Nightly at Pickering Methodist Church.

The revival meetings at the Mthodist church of Pickering, being conducted by the pastor, Rev. C. S. Dayhoff assisted by Goodale Brothers, preacher and singer, are drawing big crowds nightly and the efforts being put forth by the workers are bringing good results.

The meetings will continue every night this week opening at 7:30 o'clock. Tomorrow, Wednesday, Thursday and Friday morning at ten o'clock, cottage prayer meetings will be held. The revival opened three weeks ago and during that time there have been thirty five conversions. The nightly sermons have been attracting great interest all through that community and the singing evangelist has added greatly to the success and entertainment.

Mr. and Mrs. Lawrence B. Ogden left yesterday morning for Oklahoma City, Okla., where Mr. Ogden will act as judge at a Shorthorn cattle show.

WORKMAN BURIAL TOMORROW

Mrs. Francis M. Workman Passed Away Yesterday at Home of Son Northwest of City.

Mrs. F. M. Workman died Sunday evening at 5 o'clock at the home of her son, Clarence Workman, northwest of Maryville, after an illness of two years of cancer of the throat.

The funeral will be held at the Clarence Workman's home tomorrow morning at 11 o'clock, conducted by the Rev. W. C. Ferguson, pastor of the Baptist church of this city. Burial will be in Workman Chapel cemetery.

Mrs. Workman was about 65 years old. She is survived by her husband, Francis M. Workman, and two children, Clarence Workman and Mrs. Dora Yeager of near Maryville. Also two brothers survive, being Hiram and James Edwards.

MUST SERVE PEOPLE

WILSON TELLS GOVERNORS THAT IS PEACE DELEGATES BUSINESS

IN A FOUR MINUTE TALK

Executive Says We Are Beginning to Learn Businesses of Government Which Is To Take Council From Common Man.

Washington, March 3.—"We are at last beginning to learn the business of government, which is to take council from the common man," declared President Wilson in a four-minute address here today addressing the conference of governors and mayors at the White House. The President declared it was the duty of the government to learn what the plain people want.

Referring to the Paris peace conference, President Wilson said: "If we (delegates) show that we want to serve any interest but the interests of the people, we will have become candidates for the most lasting discredit that ever attached to any men in history." The President declared, "we are at last learning that the whole matter of property of the people runs down into the great body of men and women who do the work of the world and that the process of guidance is not completed by the mere success of great enterprise; it is completed only by the standard of benefit that it confers upon these men in obscured ranks of life to contribute to the success of the enterprise."

BERLIN SITUATION IS GRAVE

Strong Military Force Patrols City Fearing Outbreak—Crowd in Anti-American Demonstration.

Berlin, Mar. 3.—The proposed meeting of the Russian national assembly in Sicily has been postponed indefinitely. It was announced to meet Tuesday. The ostensible postponement was brought about by transportation difficulties, but in reality the threatened general strike in Berlin which is designated as a protest to the assembly, is believed to be the reason.

A strong military force is patrolling the city and a counter-revolutionary outbreak is feared. Foreign officials admitted the situation was most grave but they were confident the government would survive. The strike has spread to Weimar.

Following the reception to German East African troops, a crowd stormed the hotel in an anti-American demonstration shouting, "throw out the Americans who are swine—they are eating all our food."

WILLIAMS BABY DEAD.

Funeral Services to be Held Tomorrow Afternoon.

Iona, the twenty months old daughter of Mr. and Mrs. Dave Williams, died yesterday afternoon at the Williams home in northeast Maryville.

The funeral services will be held tomorrow afternoon and the burial made in Oak Hill cemetery.

MUST PAY HUGE SUM

GERMANY'S BILL OF DAMAGES IS SET AT 120 BILLIONS

CONSIDER FINAL TERMS

Besides Cutting Down German Army End of U-boat Warfare for all Nations Will Be Part of Plan.

Paris, March 3.—A great week of the peace conference opened today with the inter-allied council of ten nations considering Marshal Foch's final terms of disarmament of Germany on the land, on the sea and in the air. In addition to cutting down the size of the German army, it is understood the terms call for the termination of submarine warfare by all nations. The council is also scheduled to get a report from the committee on reparation which is said to have set the sum Germany should pay at 120 billion dollars. It is confidently expected the peace terms will be communicated to Germany by the end of the month. There is evidence also that the Allies will deal with the problem of world industry on common lines after the peace treaty has been signed.

66TH CONGRESS NEARS END

Legislative Jam Faces Upper Body—House's Program at Close Is Practically Blank.

Washington, March 3.—A continuous session of the senate from ten o'clock this morning until the clock marks the death of the sixty-fifth congress. It is plainly indicated that a legislative jam is faced by the upper body of congress as the members gathered for the final lap. Speaker Clark's legislative program, on the other hand, was practically blank and indications were that the housse would close its legislative functionings in an orderly way.

3,000 PRISONERS "STRUCK."

Leavenworth, March 3.—Three thousand prisoners in the disciplinary barracks returned to work at noon after "striking" this morning and refusing to leave their cells. Officials at the barracks refused to discuss the demands made by the men or to give any particulars of the "strike."

NORMAL GIRLS TO PLAY B. B.

Picked Teams Will Stage Basketball Game This Afternoon on the Normal Court.

Two teams picked from the best players among the girls in the Normal will stage a basketball game this afternoon on the Normal court beginning at 4:30 o'clock. This is the first open game that the girls have played, the sport having been only recently sanctioned by the faculty. A series of five games will be played between the two teams on successive Monday afternoons. If possible, games with other schools may be scheduled.

The teams that will play this afternoon are captained by Miss Lois Goodpasture and Miss Garnet Stewart. The lineups follow:

Garnet Stewart and Osa Coler, forwards; Iva Ward, jumping center; Ruth Walker, running center; Ida Igo and Dessie Danner, guards; Velma French and Esther and Pearl Neal, substitutes.

Lois Goodpasture and Helen Dean, forwards; Velma Appleby, jumping center; Mary Condon, running center; Bessie Shrock and Lela Meyer, guards Jessie Murphy, substitute.

PUBLIC SALE
of LIVE STOCK

I will offer for sale at public auction at White Hall farm, first house south of Scudder schoolhouse, on Savannah road, 4 miles south of Maryville, on

Tuesday, March 11th

Beginning at 10 o'clock a. m., the following described property:

Five Good Missouri Bred Jacks

Pair JOE JR. Mules

Consisting of one 10-year-old jack, Joe Jr., a sire of great mules, being heavy boned, short haired, low down; two 3-year-old jacks, 15½ hands high, black with white points, good heavy bodied, good boned jacks. The above jacks will average around 1,000 pounds and better in weight. One 2-year-old and one yearling jack.

The cattle and jacks described will not be offered for sale until one o'clock in the afternoon.

15 Head of HORSES and MULES

Consisting of one 5-year-old draft mare, bay, weight about 1500 pounds; one bay mare, smooth mouth, wt. about 1300 pounds, in foal to jack; one smooth mouth gray mare, saddle bred; one black 2-year-old saddle bred gelding, eligible to register; one roan gelding, coming 4 years old, wt. 1400 pounds; one pair bay geldings, coming 2 years old; one roan gelding coming 2 years old; one bay mare coming 7 years old, in foal to jack; one black Percheron mare, wt. 1500 pounds, registered; one 3-year-old Percheron stallion, black, with star in forehead, registered; 1 gray Percheron stud colt coming yearling; eligible to register.

Four coming 3-year-old mules—2 mare mules and 2 horse mules; three weanling mule colts; two coming 2-year-old mare mules.

46 head of mules sold at auction at Auxvasse, Mo., recently in February, averaging $318 apiece, which is a record price for that number being sold at auction in Callaway County, Mo. One span $760 and forty-six head $14,298. Note how close they sold to the average. In Brown County, Kan., at Geo. Mitchell's, one pair coming 4-year-olds brought $905, and 52 mules average $301 at E. M. Kimmel's farm sale in Richard County, Nebr., six grown mules average $305. Note the close range of the average on the three sales. Now is the time to breed good mules, while these good mares are to be had at a price you can afford to own them. Why not two or three neighbors go together and get one of these good jacks while they are to be had? You saw $725 paid for a pair of mules in Nodaway county in February, and you also know of $250 being paid for one 2-year-old mule that weighed 1300 lbs, out of the fourth jack in my barn. One of the best judges of mules that probably buys and sells more mules than any two other men in the county, says it was the best mule he knew of anywhere to be had. Now what are you going to do? Be a live wire, get a good jack and be prepared, or stand around just as you saw hundreds of fellows do at the U. S. Wright farm, the 8th of April, 1914, when those Hereford cattle were selling at $30 to $75 and every man knocking and saying cattle are all down and out. Now today, a Holstein bull brought $10,000 at auction. Herefords at Cambridge, Nebr., averaged $3,845, for 50 head Poland-China brood sows $800 per head. Never in the history of the world have you ever saw as much money changed for live stock to breed from. Then, tell me that horses and mules have died—not at all—it is you and me and the other fellow that is knocking, is the cause of a great deal of the condition of the horse market. Does not the $800 sows, the $10,000 bulls and the human race have to be fed, which it takes the horse and mule to produce it, and our land selling the way it does and then horses are dead. Sure they are not—it is the other fellow knocking. Why is land selling as you see it has this winter? Is it the big crop of 1918? Is it the paying investment, or is it because every fellow is boosting for land? Note the difference when you boost or knock. I knew a candy maker who wanted a farm. He saw the other fellow getting his feet wet, and wanted to be in the swim. Buy a good jack and be in the swim. Breed your good mares to a good jack or good horse and be prepared. A good sire is half of your herd, and you will win the battle. A poor sire is all of your herd and you have lost all. Try it and you will be convinced.

45 Head of Registered Hereford Cattle

Consisting of 9 yearling bulls; 16 yearling heifers; 10 aged cows; 10 head of cows 2 to 5 years old. These animals are a good strain of Hereford blood, being sired by such bulls as Elect 9th from the Shadeland herd and the cows are in calf to a Fairfax bull, grandson of Harris & Son's Fairfax. They are just in good stock flesh, grass and water being a little short last summer.

Red Cross Notes

Queries From the Work Room.

Why do we sew hundreds of tiny labels into the Red Cross garments? Isn't it a waste of time and money that might be put on more vital work? On a layette this would mean 32 labels.

Hurried and Worried Some.

Why, oh why were the pajamas made for giants in the beginning and when they were sensibly made smaller why were all sorts of other minor details, which the women had mastered, varied just enough to make them confusing?

A Chapter Captain.

These labels "From the American Red Cross" were ordered by the Foreign C[illegible] and since the garments go around the world, and may finally be used in Italy, France, England, or the Far East, it means much to say to these thousands of foreign people, "The Red Cross wishes you well and sends this proof of it." To our own men an article "Made in America" is doubled in value; to others it carries a message of brotherhood and disinterested aid. The label identifies shipments on the one hand, and on the other it symbolizes a great organization, thousands of miles away, planning to meet the recipient's special need.

The garment gives material comfort, the label carries a heartening assurance of the resources and sustained solicitude back of the gift. As for the layette, only 6 of the 32 pieces carry the label, and it is all the more important, now that the Red Cross itself, which formerly adorned the garments, is no longer used.

Are these things worth the sewing on of a label? It is like the card of greeting that goes with a gift. Would you leave it out?

At first pajamas were too large. They were copies of models sent over from France, and these models had been prepared with the general idea that it was easier for a small man to accomodate himself to a large garment than vice versa. Also, in the case of bandages on wounds looseness of the garments was manifestly desirable. When we revised our patterns we made them conform to the models used by the Medical Department of the Army.

Alterations in the measurements of the pajamas were necessary in order to accord with the specifications sent from the office of the Surgeon General when the American Red Cross began the "minor details" referred to were based on the desire to economize material to the greatest possible extent, and to simply and standardize the manufacture of the garments, as experience had proved that work could there by be saved and a better article produced in the aggregate. This means saving hundreds of thousands of dollars and many hours of labor, and unquestionably warrants the changes.

The Red Cross work is still going. We are being called on to knit for the refugees. Instructions will reach us soon. When they do we want every woman to help care for our part of this call.

Any items of Red Cross news will be given attention if sent to Miss Lanning, at the Red Cross rooms or phone 220.

The Lasher Auxiliary met in all day session at work rooms at Mrs. Lawrence Gault's Thursday, February 27 to complete quota of refugee garments. Each lady brought a well filled basket, which was served at the noon hour to the following: Mrs. Amelia Outs, Mrs. Dan O'Grady, Mrs. Chas. Broyles, Mrs. E. P. Powell, Mrs. Lawrence Gault, Mrs. J. Adams, Miss Frances Masters, Mable Riffle, Ella O'Grady, Karle Parker and Katherine Broyles.

Officers for the following year were elected. Miss Mable Riffle was elected chairman, Miss Ella O'Grady was elected secretary and treasurer.

Report of the work for the past year was given at this meeting. 33 meetings were held during the year. 8,897 surgical dressings, 12 pillow slips, 3 sheets, 7 bath towels, 10 hand towels, 18 handkerchiefs, 1 quilt, 5 comforts, 5 feather pillows, 23 pajama suits, 12 bed shirts, 12 refugee dresses were made. Also 17 pairs socks, 4 helmets and 4 sweaters were knit by the ladies.

Have $70.00 proceeds of two sales for Red Cross and also raised enough money, $73.00 to adopt two French war orphans.

During the year 10 of the members completed their 72 hours work which entitled them to a Red Cross on their coif. They are Mrs. Outs, Mrs. Riffle, Mrs. Palmer, Mrs. Martin, Mrs. Broyles, Mrs. Gault, Frances Masters, Katie Broyles, Miss Karle Parker, Miss Mable Riffle.

SHE COULD NOT STAND OR WORK

But Lydia E. Pinkham's Vegetable Compound Restored Her Health and Stopped Her Pains.

Portland, Ind.—"I had a displacement and suffered so badly from it that at times I could not be on my feet at all. I was all run down and so weak I could not do my housework, was nervous and could not lie down at night. I took treatments from a physician but they did not help me. My Aunt recommended Lydia E. Pinkham's Vegetable Compound. I tried it and now I am strong and well again and do my own work and I give Lydia E. Pinkham's Vegetable Compound the credit."—Mrs. JOSEPHINE KIMBLE, 935 West Race St., Portland, Ind.

Thousands of American women give this famous root and herb remedy the credit for health restored as did Mrs. Kimble.

For helpful suggestions in regard to such ailments women are asked to write to Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of its long experience is at your service.

Don't Let Catarrh Drag You into Consumption

Avoid Its Dangerous Stage.

There is a more serious stage of Catarrh than the annoyance caused by the stopped-up air passages, and the hawking and spitting and other distasteful features.

The real danger comes from the tendency of the disease to continue its course downward until the lungs become affected, and then dreaded consumption is on your path. Your own experience has taught you that the disease cannot be cured by sprays, inhalers, atomizers, jellies and other local applications.

S. S. S. has proven a most satisfactory remedy for Catarrh because it goes direct to its source, and removes the germs of the disease from the blood. Get a bottle from your druggist today, and begin the only logical treatment that gives real results. You can obtain special medical advice without charge by writing to Medical Director, 27 Swift Laboratory, Atlanta, Ga.

Reconstruction

IN war ridden Europe they are entering a period of reconstruction politically, industrially, financially. They are looking to the United States for materials, finances, leadership, and we must not fail them.

The United States at this time is entering a period of "Transference"—labor, finance, commerce, industry are to be transferred from the war channels back again to the channels of peace. In order that this transfer may be made without interference, it behooves every American citizen to keep all channels of industry open. Buy now, without delay, such articles as are likely to be needed in the near future.

Indications point to steady prices for some time and in many instances there are likely to be some material advances. European buyers are in our markets right now arranging for early shipments of goods "Made in U. S. A." You can buy now with a reasonable assurance that prices will not be lowered to any marked degree in the near future.

Spirit of Spring

The spring birds are arriving, the buds are swelling and the very atmosphere is that of spring. It is a time of clean-up and of freshening up for the spring and summer months.

We are in the midst of remodeling and redecorating our store for the Spring season. It will cause you a little inconvenience with your shopping for a few days, but you will enjoy the change when the work is completed. In the meantime we are receiving shipments of new Spring merchandise for every department—a full line of the Spring's latest creations will be ready for your inspection at an early date.

Don't forget our Mail Order Department which we are maintaining for your convenience—your order will receive careful personal attention.

HEALTH TALK

BY DR. VALENTINE MOTT.

All the blood in the body goes thru the kidneys within a few minutes. Therefore the kidneys are very important in health or disease because they filter out of the blood most of the waste (poisonous) substances and the blood then flows on toward the heart thru the kidney vein. What the kidney takes out of the blood forms urine. So it is very important to have the water tested by a chemist, at least once a year. I would suggest that everybody send a sample to Dr. Pierce's Laboratory in Buffalo, N. Y., and receive back a thorough chemical and microscopical test, free of charge.

The kidneys and bladder suffer from the wear and tear, and we get chronic inflammations sometimes indicated by backache, painful voiding of water—dull, heavy feelings. Perhaps the uric acid is stored up in the system in excessive amount, and consequently when the urate salts are deposited in muscles and joints one suffers from lumbago (pain in back), rheumatic pains, gout, etc.

Nothing will act so nicely as "Anuric" (anti-uric-acid)—a recent discovery of Dr. Pierce's which can be had at all drug stores. "Anuric" washes away the poisons, cleanses the bladder and kidneys—rendering them antiseptic—consequently one is soon cured of lumbago, rheumatism, gout, and the body is put into a clean, healthy state.

MR. FAMILY MAN:

Why Spend So Much Money on Shoes?

Here is what Tracy Munson of Joplin, Missouri, says of Neolin Soles: "Judging from my own experience, they wear four times longer than other soles and have the additional advantage of being waterproof and slip-proof."

Why continue to wear extravagant old-fashioned soles when you can get these money-saving, long-wearing soles on new shoes in any style you like for any member of the family? Good shoe stores everywhere carry them.

And don't throw away your old shoes. Have them re-bottomed with Neolin Soles and enjoy the comfort of a re-soled shoe which is not stiff or clumsy. Neolin Soles are a discovery of Science, and are made by The Goodyear Tire & Rubber Co., Akron, Ohio, who also make Wingfoot Heels—guaranteed to outwear all other heels.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young — to do this you must watch your liver and bowels — there's no need of having a sallow complexion — dark rings under your eyes — pimples — a bilious look in your face — dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone, by toning up the liver and clearing the system of impurities.

You will know Dr. Edwards' Olive Tablets by their olive color. 10c and 25c per box. All druggists.

CHIEF ENGINEER ALMOST GIVES UP

Thought He Would Have to Stop Working—Tanlac Makes Him Well Again.

"To my mind Tanlac is the greatest medicine in the world," said O. H. Mahaffey, chief engineer of the Life & Casualty building, Nashville, Tenn.

"For two years," he continued, "I suffered awfully with the worst kind of stomach trouble and went down until I lost forty-eight pounds. My back ached terribly and I suffered so much misery from indigestion that I thought I had an ulcerated stomach and was actually afraid to eat anything but a little oatmeal and sweet milk. I got weaker every day till finally, as nothing I took did me any good, I thought I would just have to throw up my job.

"My wife read in the papers where a man who had suffered like I was had been helped by taking Tanlac, and she begged me to try it. After I had taken Tanlac a few days I began to get hungry and started in eating like I was starved, and nothing hurt me a bit. Soon those awful pains in my stomach and back were gone, I sleep fine at night now and get up in the morning full of life and energy and ready for my work."

Tanlac is sold in Maryville by the Koch Pharmacy and by A. M. Colly, Conception Junction.—H. M. Lincoln, Pickering, and Carter Pharmacy, Burlington Junction, Mo., and in Barnard by Bear Drug Store, in Elmo by King Drug Co.—Adv.
